Dear ARNAV PAREEK

I am delighted to inform you that you have successfully completed your internship with GRRAS Solutions Pvt. Ltd. in the below program

AI and Machine Learning

Your tenure from **16-06-2025** to **03-08-2025** has been marked by significant contributions and professional growth.

Throughout your internship, you showcased remarkable skills in:
Supervised Learning | Unsupervised Learning | Deep learning | Neural networks | GEN AI
Your proactive approach, enthusiasm, and willingness to learn have not only benefited your personal development but have also positively impacted our projects and overall objectives. We are confident that the experience and skills you have gained during this internship will greatly aid you in your future career endeavors.
We appreciate your hard work and dedication during your time with us and wish you continued success in all your future pursuits. Should you need any further assistance or a reference in the future, please do not hesitate to reach out.

Sincerely,

Rajat Goyal

Director
